

You can give now through your Donor Advised Fund

Do you have a donor advised fund (DAF) or Charitable Checking Account?

If you do, you can recommend **a charitable distribution** from your DAF to Choices In Community Living – Charitable Tax Exempt #31-1126222. Please contact your financial/ legal advisor, or specific donor advised fund representative.

Also, you may **make a bequest in your Will or trust** to Choices by listing Choices as a charitable beneficiary of your existing DAF.

To learn how an existing donor advised fund may be leveraged for current and future/ legacy giving opportunities at Choices, please
