

Double Your Gift—At No Extra Cost to You!

Every year, billions of dollars in matching gift funds go unclaimed—simply because donors aren't aware these programs exist.

Did you know your employer may offer a matching gift program as part of its corporate or community giving? That means your donation to *Choices In Community Living* could be doubled—or even tripled—at no additional cost to you.

Yes! Your \$100 gift could become \$200 or even \$300—just by completing a simple form.

How does it work?

Who offers matching gift programs?
