

Give Through Your Donor-Advised Fund (DAF)

Do you have a Donor-Advised Fund (DAF) or Charitable Checking Account? If so, you can recommend a charitable grant to **Choices in Community Living** (Tax-Exempt ID: 31-1126222).

To initiate a gift, please contact your financial or legal advisor, or your DAF provider directly.

You may also include Choices in your long-term plans by naming the organization as a charitable beneficiary of your existing DAF in your will or trust.

To learn more about how your donor-advised fund can support both current and legacy giving opportunities at Choices, please contact:
